Dependent on stock availability. Errors and omissions excepted (E&OE). All prices are exclusive of VAT.

All of our products are hand finished locally, and wherever possible we support our fellow local suppliers for items that we don't manufacture ourselves. We do this consciously to support our local communities and build our economy. We are on a journey to move away from plastic wherever possible, and in many cases we are able to offer high-quality memento boxes or packaging which can be reused for years to come.
